Re-Locking Expired Locks

Effective *September 15, 2015* ResMac will allow all brokers to re-lock expired locks directly through our Marti system.

Simply click on the 'Request Re-Lock' button in box 5 of your loan summary page and you will be directed to the rate options.

Select the rate/duration and click the 'Request Re-Lock' button on the bottom of the page. All re-locks are based on worst case pricing and subject to change with market movement.
